

Metromedia Energy, Inc. is one of the largest and most experienced marketers in the competitive energy industry.

We are an independent energy marketer and not affiliated with any utility. Our mission is to provide the highest level of customer satisfaction for the lowest cost and save your business unnecessary high utility costs.

Metromedia Energy's decades of experience in energy management and procurement allow us to assist our commercial customers in improving their bottom line by reducing energy expenditures. Metromedia Energy has a unique depth

of experience in energy management in the deregulated marketplace. We offer expertise in all the utility service areas in which we serve.

We serve a wide variety of customers from small businesses to large corporations. We currently specialize in serving multi-unit, multi-location commercial and industrial customers across the Northeast and Mid Atlantic states.

Today MME serves over 10,000 commercial and industrial customers ranging in size from the small individually owned business to the Fortune 500 Company. Our primary focus is the Northeast United States but we have the capabilities and do serve our multi facility customers across the nation as described under Commercial Solutions section of this web page.

Our independence is one of our competitive advantages. MME works on behalf of our customer's interests. We achieve the highest level of customer satisfaction by offering the lowest price possible and maintaining our high standard of customer support. We are proud of the fact that our sales have increased tenfold for two consecutive years demonstrating our commitment to our customers and the industry.

Metromedia Power

Metromedia Power, Inc. is an affiliate of Metromedia Energy and is offering electricity brokering service to businesses in Connecticut, Delaware, Illinois, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Texas, and Washington DC. Together with Metromedia Energy, Metromedia Power has the experience and expertise to lower your costs without any reduction in high quality service.

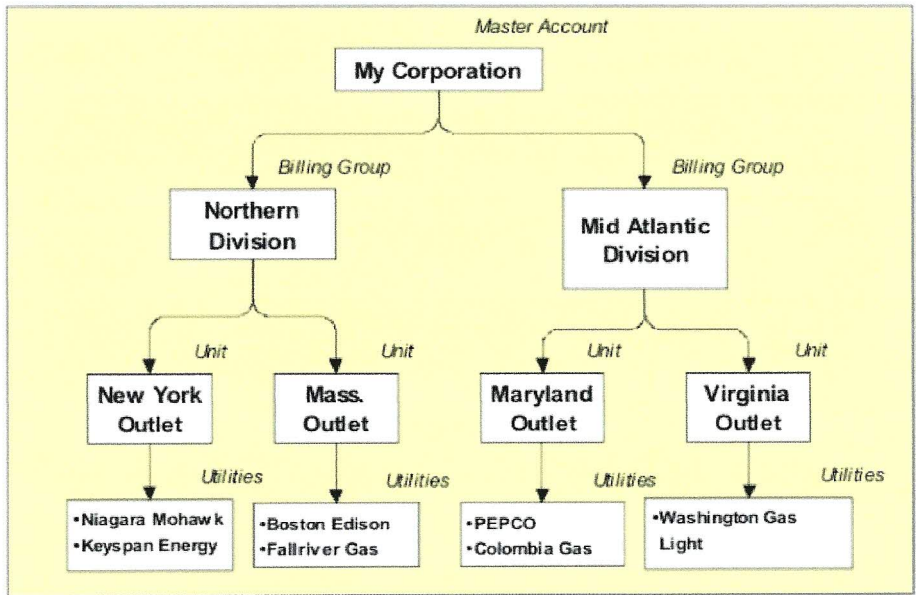

National Accounts

Metromedia Energy, Inc. creates custom energy procurement and management programs for those consumers who operate multiple locations over many different utility territories and state jurisdictions. National accounts require in depth knowledge and experience.

Because Metromedia Energy is not affiliated with any wholesaler or utility, our only allegiance is to our customers.

Metromedia Energy customers select from a short list of potential energy suppliers in any given region. MME designs the RFP (Request for Proposal) and delivery agreements to the benefit of the customer, not the wholesaler. Our national customers include one of the largest supermarket chains in the US as well as restaurant groups, industrial groups, movie theatres, and retail chains.

Benefits to our customers include:

- Local Tariff Analysis
- Utility Interface
- Data Acquisition and Reporting
- Customized and Consolidated Invoicing

Metromedia Energy will serve your needs wherever a meaningful deregulation program exists.
