

# Welcome New RIFDA Members

We have been fortunate over the past 6-7 weeks in adding six new members to the Association. These include Admiral Packaging Inc., Citizens Business Banking, Litos Strategic Communication, Little Rhody Foods, USI New England, and ZEP Sales & Service. Their information is below.

Thanks to those members that helped to facilitate us in securing these memberships and growing the Association. We are working on several more opportunities as well as developing a little more structured approach to new members as we move into 2011.
